GREAT RACING, SAYS SWENSON

New Manager of Saucer Track
Promises Fine Things for
Cycle Fans

"The best riders in the world and the best races Salt Lake ever saw," is the way Frank A. Swenson announced yesterday that the Salt Lake saucer track would be run the coming year. This is a pretty good line of dope for a new manager to spring and if it is carried out, the success of next season's cycle while on the local saucer track is already assured.

The announcement made in The Herald yesterday that Frank Swenson had signed a lease for the saucer track for the coming season dropped like a bomb in local cycling circles, as heretofore he has never been interested in the game. It is, of course, conceded that the track would run as of old, but under whose management was not known. It is understood that several parties were after the track, but Swenson's name had never for a moment been considered. When, therefore, it was announced that this deal had been closed and that the former city treasurer was to manage the track, it naturally came as a surprise.

Swenson was seen yesterday and admitted that the deal had been closed. Another party, whose name he did not care to mention, was interested with him. Swenson gave out the statement that he intended to secure the best riders in the world and that he would give the best races that had ever been seen in the city, but beyond this he had nothing definite to say. Swenson says he had just closed a deal for the track, but had not arranged any detailed plans for running it. These would be attended to as soon as possible, and would be given to the public at that time.

Ogden Gets Nelson.

(Special to The Herald.)

Ogden, Jan. 3.—Battling Nelson, who is scheduled for a twenty-round draw with Jack Clifford of Grass Valley, Cal., left San Francisco for Ogden today and should, according to Ogden today, reach here tomorrow afternoon. Nelson requests that he be permitted to fight in Ogden and it is altogether probable that the original plan to have him train in Salt Lake will be abandoned.

In that event Clifford will be transferred to Salt Lake instead. Those who saw Clifford fought today say that his improvement over what he was four years ago was simply a revelation. All agree that he is strong, fast and a real fighter. Kid Herick of Ogden and Kid Otto of New York acted as Clifford's sparring partners yesterday.

NOTHING DOING FOR SALT LAKE

San Francisco, Jan. 3.—The directors of the Pacific Coast Baseball League today tabled the application of Salt Lake for a franchise for a team to represent that city in the coming season. It was decided that Salt Lake was too far away from the coast towns to arrange a profitable schedule.

ENTRIES FOR FUTURITY

Nearly Seven Hundred Already
Posted for Great Race
in 1910.

New York, Jan. 3.—That the futurity of 1910 will be one of the greatest races of years seemed to be assured yesterday, when it was announced that 675 entries have already been received by the Coney Island Jockey club. The entries closed yesterday, but the exact number entered will not be known until the entries mailed from distant points have been received. Entries for sixty races to be held at the Sheepshead Bay, Gravesend and Brighton Beach tracks were closed yesterday and large numbers of entries were received. Fifty of the races will be run at the spring meetings, and include the Suburban, Brooklyn and Brighton handicaps. The Jockey club has issued the forfeit list for 1907, which shows but \$7,800 in forfeits unpaid, with more than \$2,500,000 actually collected during the season.

All owners failing to make payments are listed and none of them will be allowed to enter horses on any track under the supervision of the Jockey club.

COAST LEAGUE

Man Named Sanborn Has Applied for Franchise—Matter Under Consideration.

(Special to The Herald.)
San Francisco, Cal., Jan. 3.—Whether or not Salt Lake will be the sixth team when the Pacific Coast League opens its season next spring is a matter which a specially appointed committee of the league has now under consideration. An application for a franchise in Salt Lake was presented at the annual meeting of the board of directors by a man named Sanborn today. The directors appointed a committee to investigate the matter. President Ewing of the league, and Managers Berry and Long of Los Angeles and San Francisco, respectively, were present. Ewing said at a late hour tonight: "While it is hardly likely that we will annex Salt Lake, we have not yet finally decided on the matter and will not do so until the fifteenth of the month. It is too big a jump to make in a moment, but it seems, but if we can be shown where we can include Salt Lake in the league without financial loss, we will do so."

Very little is known here about Sanborn, the man who made the application.

EX-PUG SHOTS HIS MAN

Dispute Over Moran-Attell Fight Results in Shooting Scrape in Frisco.

San Francisco, Jan. 3.—Thomas West, a contracting plasterer, was shot five times by Paul Mullen, a well-known ex-pugilist, in front of the Willis saloon on Ellis street between Webster and Fillmore, this afternoon. Physically, Mullen was whipped by Mullen's revolver struck West's body, inflicting himself in his hips and legs. The
